---

**Country Club Lawn and Tree Specialists, Inc.** would like to thank you for choosing us to meet your lawn care needs this year. We know there are many choices, which is why we work hard to deliver a quality service and exceptional customer service. Our goal is your continued satisfaction! As a local company, we are environmentally conscious of how our work affects our region. We strive to provide quality work performed responsibly. We are committed to providing you with the best service in the Metro East.

Thank you again for a great year and we look forward to seeing you in the Spring!

## **Lawn Care Prices Remain The Same**

Great News!

We are happy to announce that your 2010 lawn care annual premiums will remain the same as 2009.

## **New Website**

Check out our newly updated webpage: [www.countryclublawnandtree.com](http://www.countryclublawnandtree.com)

Quarterly newsletters, updates, informational tips, special offers, etc. will be added throughout the year. This is a great new tool we implemented, so we hope you enjoy it.

## **Customer Referral Program**

Tell a friend, tell a neighbor, tell a family member!

**Save \$20.00 off your next application when you refer a new customer.**

**New customers will also receive \$20.00 off their first application**

We appreciate your kind words of confidence and look forward to keeping our service at a level that you deserve.

## **2009- 5th Wettest Year on Record**

Record rainfalls recorded for 2009 season!

Due to the amount of moisture, we've seen an increased amount of broadleaf weeds, nutsedge, etc. appearing in lawns, but with time all these issues were resolved.

## **Charge for Unmarked Sprinkler Systems**

Please note our new 2010 policy regarding unmarked sprinkler system.

In the future, if a property is scheduled for spring/fall core aeration and a sprinkler system is unmarked at the time of arrival, there will be an additional \$30.00 service charge incurred.

## **Mowing/Landscape/Irrigation Referrals**

Have you considered hiring a mowing, landscape and/or irrigation company for services? Please do not hesitate to contact us throughout the year if you are looking for reputable company. Many of these individuals we have worked with for years and have received very positive feedback on.

## **Please Note**

The Early Spring Crabgrass application consists of Crabgrass Control and Fertilizer. Weeds are not sprayed until the growing season which begins usually around the beginning of April. If you are planning on doing any type of Spring seeding please give us a call so your account can be noted prior to Round 1 application.
